

ASW 18-18

Part number: 7 112 69 60 00 0

Certified screwdriver according to ISO 5393, VDI/VDE 2647, achieves CMK value $> 1,67$ at $\pm 10\%$ (referred to 6 Sigma).

- Maintenance-free, brushless FEIN PowerDrive motor.
- Consistently precise tightening torque regardless of screwdriving operation.
- FEIN Li-ion technology for more screw connections per battery charge.
- MultiVolt interface. Cordless tool can be operated with all FEIN Li-ion batteries (12-18 V).
- Sensor-based control means no loss of speed when screwdriving.
- Process-optimised thanks to switch-on delay and restart lock (battery monitoring).
- For soft and hard screwed connections.
- Optical and acoustic display for screw connection results and storage battery capacity (tank display).
- Compact and ergonomic design.
- Tongue tools can be used.

ASW 18-18

Part number: 7 112 69 60 00 0

Technical data

Battery voltage	18 V
Torque range	6 - 18 Nm
Speed, no load	375 rpm
Weight including angled head but not storage battery	1,20 kg
Cordless	X

Price includes:

Supplied without battery, charger, angled head or torque wrench.
