

ASW 18-6 PC

Precision cordless screwdriver, baton offset
design, up to 6 Nm

Part number: 7 112 66 60 00 0

Programmable screwdrivers, tested for compliance with ISO 5393, VDI/VDE 2647, achieves CMK value > 1,67 at $\pm 10\%$ (referred to 6 Sigma).

- Maintenance-free, brushless FEIN PowerDrive motor.
- For soft and hard screwed connections.
- FEIN Li-ion technology for more screw connections per battery charge.
- MultiVolt interface. Cordless tool can be operated with all FEIN Li-ion batteries (12-18 V).
- Sensor-based control means no loss of speed when screwdriving.
- Freely programmable parameters: speed, direction of rotation, angle of rotation, torque, threshold, time.
- Parameters can be adapted to the individual application in up to 7 program steps.
- Parameters can be set for both clockwise and anti-clockwise operation.
- Maintenance module records all screw connections and calibration data.
- 100% process-optimized. Error criteria settings prevent manipulation of the screwdriving process.

ASW 18-6 PC

Precision cordless screwdriver, baton offset design, up to 6 Nm

Part number: 7 112 66 60 00 0

Technical data

Battery voltage	18 V
Torque range	1,2 - 6 Nm
Speed, no load	100 -1 340 rpm
Weight including angled head but not storage battery	1,00 kg
Cordless	X

Price includes:

Supplied without battery, charger, angled head or
torque wrench.
